Lord, our eyes are weak and we're blinded
To the truth of who we are
Everytime we move, we're reminded
Of the things that stain our hearts

Chorus

For you are holy, holy
Holy are you, Lord
And you are worthy, worthy
Worthy are you, Lord

Why does your mercy come
Like the morning
And your light to spell my dark
Lord, I don't deserve
The love that restores me
And I'm humbled by your heart

Chorus

For you are holy, holy
Holy are you, Lord
And you are worthy, worthy
Worthy are you, Lord

Oh, you reign in majesty
And we fall on a bended knee
To praise you, all of our days
Then a story of our lives
Being worhippers in your eyes
Let our hearts shout of your glory!

Chorus

You are holy, holy
Holy are you, Lord
You are worthy, worthy
Worthy are you, Lord

Chorus

You are holy, holy
Holy are you, Lord
You are worthy, worthy
Holy are you, Lord
