Oh a cherokee chief as he dances along  
He sings an indian boogie to a white man's song  
Singin' he-ho-a-lena sayin' he-ho-a-lena  
A singin' he-ho-a-lena oh-oh na-which-a-na-hey

Well he dances over here and he dances over there  
He's dancin' with a squaw called Standin' Bear  
Singin' he-ho-a-lena...

[ guitar ]

Well he dances on a rock and he dances on a hock  
But he keeps on shakin' his ol' tomahawk  
Singin' he-ho-a-lena...

He sings a little soft and he sings a little loud  
And his tom-tom beatin' so big and proud  
Singin' he-ho-a-lena...

[ guitar ]

Wel he's a Cherokee chief as you all might know  
When he sings his boogie singing nuven-yo  
Singin' he-ho-a-lena...
