You asked if there could be someone else
And if my heart could ever stray
You're so afraid there'll come a day
When my heart won't be feelin' this way

But my heart loves only you
And my love will always be true
Nobody else makes me feel like you do
I love only you, oh darlin', I love only you

Just take a look in my eyes
You'll see what I'm feelin' inside
Darlin', I swear I really care
And the love that I'm feelin' it's never gonna die

'Cause my heart loves only you
And my love will always be true
Nobody else makes me feel like you do
I love only you, oh darlin', I love only you
Remember I love only you, only you
