Well the sun's comin' up but I'm too blue to crow  
Yeah the sun's on the rise but I'm too blue to crow  
It seems the chicky ain't been layin' and Lord she thinks  
that I don't know  
Yeah the talk's all over the barnyard that I've been had  
Yeah the talk's all over the barnyard that the Rooster's  
been had  
Hey but the feather's gonna fly cause this old red  
rooster's mad

Hey I thought I heard somethin' leavin' from the hen  
house last night  
Hey I sure saw something leavin' from the hen house  
last night  
Hey she said it was a weasel Lord I don't think she's  
right  
[ guitar ]  
Hey hey black bull won't you give me a line of talk  
Hey hey black bull won't you give me a line of talk  
Hey tell me what do you do when your old heifer starts  
to balk  
Yeah the talk's all over the barnyard...  
[ harmonica ]  
Hey the sun's on the rise but the old red rooster's got  
The blues got the blues got the blues blues blues  
The sun's comin' up oh I got the blues  
Cause the chicky I been seein' Lord she's layin'  
somebody new
