I'm coming out of my cage  
And I've been doing just fine  
Gotta gotta be down  
Because I want it all  
It started out with a kiss  
How did it end up like this  
It was only a kiss, it was only a kiss

And I just can't look it's killing me  
And taking control  
Jealousy, turning saints into the sea  
Swimming through sick lullabies  
Choking on your alibis  
But it's just the price I pay  
Destiny is calling me  
Open up my eager eyes  
'Cause I'm Mr Brightside

Now I'm falling asleep  
And she's calling a cab  
While he's having a smoke  
And she's taking a drag  
Now they're going to bed  
And my stomach is sick  
And it's all in my head  
But she's touching his-chest  
Now, he takes off her dress  
Now, letting me go

Cause I just can't look it's killing me  
And taking control  
Jealousy, turning saints into the sea  
Swimming through sick lullabies  
Choking on your alibis  
But it's just the price I pay  
Destiny is calling me  
Open up my eager eyes  
'Cause I'm Mr Brightside

I never...

I never...
