It's a clinic, and I'm in it  
Is it a race? Am I winning?  
And I can't hide, from what's inside  
Is it the end? Is it the beginning?

I'm not afraid to run  
I'm not afraid to fly, with you  
Never giving up  
I'm never gonna quit it  
'Cause I like the way I'm living  
Never gonna quit

Life in a coma, let me out  
Living life in a coma, let me out

It's a clinic, I admit it  
This is my life, never quit it

Well, I build a wall just to watch it fall  
Knocked to my knees, I begin to crawl  
I feel the building of this anger, it's rising up

I'm not afraid to run  
I'm not afraid to fly, with you  
Never giving up  
I'm never gonna quit it  
'Cause I like the way I'm living  
Never gonna quit

Life in a coma, let me out  
Living life in a coma, let me out

Life in a coma, let me out  
Living life in a coma, let me out

I'm not afraid to run  
I'm not afraid to fly, with you  
Never giving up  
I'm never gonna quit it  
'Cause I like the way I'm living  
Never gonna quit

Life in a coma  
Living life in a coma, let me out

Living life in a coma, let me out  
Living life in a coma, let me out

Come, let me out, life in a coma  
Come, let me out, life in a coma  
Come, let me out  
Out, out, out, out, out, out
