Ooooo and the room is growing smaller
Ooooo there's no answer when I call her now

My eyes can't see
What is wrong with me
My world is spinning 'round
And I'm lost again
Lost again

My eyes can't see
What's in front of me
Should've learned by now but
Here I am
Here I am

Ooooo help me learn to help myself
Ooooo I can't depend on no one else

My eyes can't see
What is wrong with me
My world is spinning 'round
And I'm lost again
Lost again

My eyes can't see
What's in front of me
Should've learned by now but
Here I am
Here I am

Face to face you say

What you have to say
Face to face you say
What you have to me
Then run away
Then run away
The further you run
The harder I'll try
To bring you back
Into my life
Stay one more day

Then fade away

My eyes can't see
What is wrong with me
My world is spinning 'round
And I'm lost again
Lost again

My eyes can't see
What is wrong with me
My world is spinning 'round
And I'm lost again
Lost again

My eyes can't see
What's in front of me
Should've learned by now but
Here I am
Lost again

Here I am
Here I am
Here I am
Here I am
