Angie  
Look what you've done to me  
You left me standing here alone  
With a memory

And maybe  
I was too blind to see  
That you were the best thing  
That ever happened to me

But if loving you means letting go  
Then I'll just turn and walk away  
Babe, I wish I could

Turn back the hands of time  
Somehow change your mind  
All I need is one more try  
Angie I wish that you were mine

I lie awake  
I can't sleep at night  
Wondering where you are  
And who's holding you

Bright lights  
Down on the streets below  
Remind me of the fun we had  
The places we used to go

But if loving you means letting go  
Well I'll just turn and walk away  
But I'll never walk away  
I wish I could

Turn back the hands of time  
Somehow change your mind  
If I could just hold you  
One more time  
I wanna hold you  
One more time  
Angie I wish that you were mine  
I wish that you were mine
