Ain't no sunshine when she's gone
Only darkness everyday
Ain't no sunshine when she's gone
This house just ain't no home, anytime she goes away

I wonder this time where she's gone
I wonder if she's gone to stay
Ain't no sunshine when she's gone
This house just ain't no home, anytime she goes away

And I know
I know, I know
I know, I know
I know, I know

I know
I know
I know

Well, leave the young thing alone
Ain't no sunshine when she's gone
It's not warm when she's away
Ain't no sunshine when she's gone
This house just ain't no home, anytime she goes away

And I know
I know, I know
I know, I know
I know, I know

I know
I know
I know

Well, leave the young thing alone
Ain't no sunshine when she's gone
It's not warm when she's away
There ain't no sunshine when she's gone
This house just ain't no home, anytime she goes away

I wonder this time where she's gone
I wonder if she's gone to stay

Ain't no sunshine when she's gone
This house just ain't no home, anytime she goes away

Anytime, anytime
Anytime she goes away
