Ti imaš ritam kao nitko kog' znam
Korake tvoje u srcu osjećam
Ti baby ljubiš kao nitko dosad
Zagrli me i ljubi me

Kao munja tvoj dodir je
Trese i ljulja, razvaljuje
Budi mi noćas, budi utjeha
Zagrli me i ljubi me

Noćas budi mi san
Nek' tijela govore nam
Ugasi svjetla da ne smetaju nam
Šapni mi riječi tihe, reci mi sve
Nek' ova noć bude kao zadnja
Nek' vatre gore sve

Nek' druge pate, bit će samo moj
Koraci tvoji, sav ritam tvoj
Ja znam što želim, ja sam ona što zna
Da bez utjehe u noci nema ni sna

Noćas budi mi san
Nek' tijela govore nam
Ugasi svjetla da ne smetaju nam
Šapni mi riječi tihe, reci mi sve
Nek' ova noć bude kao zadnja
Nek' vatre gore sve

The night is near, do you hear what I hear
A thousand drums playing in my heart
Bring back the magic, bring back the joy
I wanna be your favorite toy
Just wanna touch in the night, just, just one touch

I've been sad for along it's too much
Do you know how it feels?
Alone at the boulevard of the broken dreams
My heart is yours and yours is mine
Kiss me and hold me till the end of time
Baby, do you know how it feels?
Don't close the door leave the light on for me

All I need is love I hope you'll see
And lady I wanna be your dream
