She's a good-hearted woman in love with a good-timin'
man

She loves him in spite of his wicked ways

She don't understand

Through teardrops and laughter,

They'll pass through this world hand in hand,

She's a good-hearted woman loving a good-timin' man

Well, a long time forgotten

Dreams have just fell by the way

And the good life he promised

Ain't what she's living today

But she never complains of the bad times

Or bad things he's done

She just talks about the good times they've had

And all the good times to come

She's a good-hearted woman in love with a good-timin'
man

She loves him in spite of his wicked ways

She don't understand

Through teardrops and laughter,

They'll pass through this world hand in hand,

She's a good-hearted woman loving a good-timin' man

He likes the bright light, the nite life

And good-timin' friends

When the party's all over

She'll welcome him back home again

She don't understand him,

But she does the best that she can

This good-hearted woman

Lovein' a good-timin' man

She's a good-hearted woman in love with a good-timin'
man

She loves him in spite of his wicked ways

She don't understand

Through teardrops and laughter,

They'll pass through this world hand in hand,

She's a good-hearted woman loving a good-timin' man

She's a good-hearted woman loving a good-timin' man
