our love will never die

no way you're ever gonna shake me  
ooh darling 'cause you'll always be my baby

(Xscape & Mariah): I know that you'll be back boy  
when your days and your nights get a little bit colder  
I know that you'll be right back baby  
oh baby believe me it's only a matter of time

VERSE:

(Da Brat)

Who brings the ruckus and the pain like Ness  
it's evident tha residents of So So Def  
Got the industry on lock where  
outsiders can't enter  
Ever since the arrival of this west side  
Representer who rocks your musicbox  
And break down your structure you  
Fantasize as you visualize me as your dreamlover  
(WHOA!)  
With your emotions unplugging your daydream face  
Reality reason through mc's  
Inflicting fatalities  
Ain't no cap on my salary  
I'm gettin' g's if you heard of me's  
Then you know that we's makin' g's  
Let's Xscape with Mariah Carey and me  
To tha back steady stacking papers smokin' on fat  
Stacks of danks see to some  
I'm a hero of this feel on file  
But that's my style  
And they don't pay me nor can they fade me  
So what I do is keep it true and real  
For my peeps in that street cause to them  
I'ma always be their baby

(Mariah): May we always be together  
In the sands of time

(REPEAT REPRISE OUT TO FADE)

(2ND TIME OF REPRISE REPEAT CHORUS OUT)
