Beyond the reef
Where the sea is dark and cold
My love has gone
And my dreams grow old

There'll be no tears
There'll be no regretting
Will she remember me?
Will she forget?

I'll send a thousand flowers
Where the trade winds blow
I've send my lonely heart
'Cause I love her so

Someday I know
She'll come back again to me
Till then my heart will be
Beyond the reef

I'll send a thousand flowers
Where the trade winds blow
I've send my lonely heart
'Cause I love her so

Someday I know
She'll come back again to me
Till then my heart will be
Beyond the reef
