"Christmas Time Is Here Again"

Sleigh bells ringin' in the lane
Christmas time is here again
Boys and girls are dancin' round
Snowflakes fallin' on the ground

Tom loves Mary, Jim loves Ann
Dan loves Sue and Sue loves Dan
Everybody's feelin' fine
Mighty close to Christmas time

Laughin', singin' merrily
Dancin' round the Christmas tree
Won't be long till Santa's here
Santa comes just once a year

Now it's time to say goodnight
Be real good and sleep real tight
Be real good 'cause if you do
Santa might be good to you

Be real good 'cause if you do
Santa might be good to you
