She's a devil in a cowboy hat  
She's evil in her faded jeans  
Seems like a lamb in a sheepskin coat  
But buddy, let me tell ya she's mean  
Well she'll do me, she'll do you  
You know that it's a well known fact  
She'll tell you she needs you  
Then loves ya then leaves ya  
She's a devil in a cowboy hat

Well, she's real sly once she's givin' the eye  
And she gives it most every night  
She's so sweet the first time ya meet  
Ya walk over cause the feelin's so right  
She's so shy when ya ask her to dance  
And you should've left her right where she sat  
Cause while she's dancin' with you  
She flirts with somebody new  
She's a devil in a cowboy hat

She's a devil in a cowboy hat  
She's evil in her faded jeans  
Seems like a lamb in a sheepskin coat

But buddy, let me tell ya she's mean  
Well she'll do me, she'll do you  
You know that it's a well known fact  
She'll tell you she needs you  
Then loves ya then leaves ya  
She's a devil in a cowboy hat

She's a devil in a cowboy hat  
She's evil in her faded jeans  
Seems like a lamb in a sheepskin coat  
But buddy, let me tell ya she's mean  
Well she'll do me, she'll do you  
You know that it's a well known fact  
She'll tell you she needs you  
Then loves ya then leaves ya  
She's a devil in a cowboy hat

She'll tell you she needs you

Then loves ya then leaves ya  
She's a devil in a cowboy hat
