Well, Honeycomb, won't ya be my baby, Honeycomb be
my own

He took a hank of hair and a piece of bone

And made a walkin', talkin' Honeycomb

Honeycomb, won't ya be my baby, Honeycomb be my
own

What a darn good life when ya got a wife like

Honeycomb

Well, it's a darn good life but it's kinda funny

How the Lord made the bee, the bee made the honey

The honeybee lookin' for a home

And they called it a honeycomb

And he roamed the world and he gathered all

Of the honey into one sweet ball

The honeycomb from a million trips

Made my baby's lips

Oh, Honeycomb, won't ya be my baby, Honeycomb be
my own

He took a hank of hair and a piece of bone

And made a walkin', talkin' Honeycomb

Honeycomb, won't ya be my baby, Honeycomb be my
own

What a darn good life when ya got a wife like

Honeycomb

And the Lord said "now that I made a bee

I'm gonna look all around for a green, green tree"

He made a little tree and I guess ya heard

What then, well he made a little bird

And he waited all around till the end of spring

A-gettin' every note that the birdies sing

He put 'em all into one sweet song for my Honeycomb

Honeycomb, won't ya be my baby, Honeycomb be my
own

He took a hank of hair and a piece of bone

And made a walkin', talkin' Honeycomb

Honeycomb, won't ya be my baby, Honeycomb be my
own

What a darn good life when ya got a wife like
Honeycomb

And the Lord said "now that I made a bird
I'm gonna look all around for a little old word
Sounds about sweet like a turtle dove
And I guess I'm gonna call it love"
And he roamed the world lookin' everywhere
Gettin' love from here, love from there
Put it all in a little old part of my baby's heart

Honeycomb, won't ya be my baby, Honeycomb be my
own

He took a hank of hair and a piece of bone
And made a walkin', talkin' Honeycomb
Honeycomb, won't ya be my baby, Honeycomb be my
own

What a darn good life when ya got a wife like
Honeycomb

What a darn good life when ya got a wife like
Honeycomb
(Honeycomb be my own)
