# "I Can't Quit (I've Gone Too Far)"

I can't quit, I've gone too far

I like to find somebody who would just be halfway true
But I can't quit I've gone too far
I'm deep in love with you
I'd like to full up stakes and leave
That's what I like to do
But I can't quit I've gone too far
I'm deep in love with you

If I knew then what I know now
I wouldn't be so blue
I had quit seeing you long ago
I wouldn't be loving you
Well you keep me so mixed up inside
By things you say and do
But I can't quit I've gone too far
I'm deep in love with you

I can't quit I've gone too far
I'm deep in love you see
You're in my heart
and realy know your way around
You're making it tough on me
Well a truck load full of dynamite
Couldn't blast you out of my heart
You're there to stay
Well here's looking at you
Why don't you do your part

If I had been smart I would have closed my heart
I wouldn't have let you in
But I found that it was wrong
When it was too long gone
I've got you under my skin

Well you keep me so mixed up inside
By things you say and do
But I can't quit I've gone too far
I'm deep in love with you

If I knew then what I know now

I wouldn't be so blue
I had quit seeing you long ago
I wouldn't be loving you
Well you keep me so mixed up inside
By things you say and do
But I can't quit I've gone too far
I'm deep in love with you
