I Did What I Did for Maria

Sun bright this is the last one that I'll ever see  
Out in the court yard they're waitin' for me but I go to  
my death with no fear  
Cause I did what I did for Maria  
As I rode into town with the sun going down  
All the windows were barred there was no one around  
With my hand on my gun they all knew I had come  
With revenge in my heart for Maria  
My dearest departed Maria

Cho

Take an eye for an eye and a life for a life  
And somebody must pay for the death of my wife  
Yes I did what I did for Maria  
I did what I did for Maria

Laughter echoed across from the end of the street  
There was a man I was burning to meet  
And my mind was so calm and so clear as I took my  
revenge for Maria  
There was dust all around as he fell to the ground  
But I knew he was dead long before he went down  
It was quick it was clean  
Made it easy on him  
Which was more than he did for Maria  
When he did what he did to Maria

Cho

Take an eye for an eye and a life for a life  
And somebody must pay for the death of my wife  
Yes I did what I did for Maria  
I did what I did for Maria  
Maria
