I was doin' fine till you showed up this mornin'  
And I got that feelin' that I thought was gone  
You were just too much to take without a warnin'  
Oh, I feel another heartbreak comin' on

I had taught myself to get along without you  
It took weeks to make things right, that you made  
wrong  
And, just like that, you shattered all I worked for  
Oh, I feel another heartbreak comin' on

Didn't have enough time to get over  
Just from dawn till dark and dark till dawn  
I was doin' fine till you showed up this mornin'  
Oh, I feel another heartbreak comin' on

Didn't have enough time to get over  
Just from dawn till dark and dark till dawn  
I was doin' fine till you showed up this mornin'  
Oh, I feel another heartbreak comin' on
