If her blue eyes don't get ya oh, I'll bet ya  
The sunshine of her smile sure will

With a twinkle of her eye she'll make you  
Proud that you're livin'  
And with her sunny smile you'll think  
For a while you touched Heaven  
There's no way to explain the feelin's  
That you're gonna feel  
If her blue eyes don't get ya oh, I'll bet ya  
The sunshine of her smile sure will

She's not quite a Devil but still  
She's no angel, I'll say  
Sometimes she's both but I think  
That's just to get her way  
When she looks in your eyes and she smiles  
Lord, you'll know you've been thrilled  
If her blue eyes don't get ya oh, I'll bet ya  
The sunshine of her smile sure will

She will tease you on  
She can make you feel so strong  
And with her touch she'll  
Make your heart stand still, yes she will  
And if her blue eyes don't get ya oh, I'll bet ya  
The sunshine of her smile sure will  
If her blue eyes don't get ya oh, I'll bet ya  
The sunshine of her smile sure will
