I'm in the mood for love  
Simply because you're near me  
Funny but when you're near me  
I'm in the mood for love

Heaven is in your eyes  
Bright as the stars way under  
Then is there any wonder  
I'm in the mood for love

Why stop to think if weather  
This little dream might fade  
We put our hearts together  
Now we are one, I'm not afraid

If there's a cloud above us  
If it should rain then let it  
But for tonight forget it  
I'm in the mood for love

Heaven is in your eyes  
Bright as the stars way under  
Then is there any wonder  
I'm in the mood for love  
I'm in the mood for love
