There'll be times when I can't get away to be with you  
But it won't be because I'm not wanting to  
The only time I live the life I'm longing to  
Are those stolen moments that I spend loving you

When I'm not loving you I'm wanting to  
And any time I'm on your mind you're on mine too  
Remember not to doubt my love and if you do  
Oh you know when I'm not loving you I'm wanting to

We met too late but that mistake can't change the way I  
feel  
Right or wrong I love you and I always will  
The part of me that never lived now lives because of  
you  
And when I'm not loving you I'm wanting to

When I'm not loving you I'm wanting to  
And any time I'm on your mind you're on mine too  
Don't doubt my love and if you do  
Oh you know when I'm not loving you I'm wanting to  
You know when I'm not loving you I'm wanting to
