It's not all over when you leave  
You just can't end it when ya please  
Just because you want it so  
It's not all over when ya go

'Cause I'm not all over lovin' you  
So tell me what I ought a-do  
We might have hit an all time low  
But it's not all over  
No, it's not all over

It's not all ended quite so fast  
I know I haven't seen the last  
If we change at all we'll change real slow  
It's not all over when ya go

'Cause I'm not all over lovin' you  
So tell me what I ought a-do  
We might have hit an all time low

But it's not all over  
No, it's not all over

'Cause I'm not all over lovin' you  
So tell me what I ought a-do  
We might have hit an all time low  
But it's not all over  
No, it's not all over  
No, it's not all over
