There's a lamp shining bright in a cabin  
In a window it's shinin' for me  
And I know that my mother is prayin'  
For the boy she is longing to see

When it's lamplighting time I can see her  
As she rocks in her chair to and fro  
But I know that I'll never more see her  
'Cause she's gone to a good place I know

Oh, see lights up her lamp and sits waiting  
For she knows not the crime that I've done  
But I'll change all my ways and I'll meet her  
Up in Heaven when life's race is run  
When it's lamplighting time in the valley  
And in dreams I go back to my home  
I can see that old lamp in the window  
It will guide me where ever I roam
