Look at me I'm as helpless as a kitten up a tree  
And I feel like I'm clinging to a cloud I can't understand  
I get misty holding your hand

Walk my way and a thousand violins begin to play  
Or it might be the sound of your hello this music I hear  
I get misty whenever you're near

You can say that you're leading me on  
But it's just what I want you to do  
Don't you notice how hopelessly I'm lost  
That's why I'm following you

On my own would I wander through this wonderland  
alone  
Never knowing my right foot from my left, my hat from  
my glove  
I'm so misty and so much in love

You can say that you're leading me on  
But it's just what I want you to do  
Don't you notice how hopelessly I'm lost  
That's why I'm following you

On my own would I wander through this wonderland  
alone  
Never knowing my right foot from my left, my hat from  
my glove  
I'm so misty and so much in love

Misty and so much in love
