Just the memory of your body next to mine  
Now you're gone  
Just the thought of your hair blowin' in the sunshine  
Now you're gone  
Just, memories are somethin' I took for granted  
Just memories I have for you  
Just memories are left  
Now I find I miss you

I lay here in my room and start to wonder why  
I let you go  
I never even offered to tell you goodbye  
I just let you go  
Now the table's turned and it's my turn to suffer

I never realized you were my life  
And now I find more than anything  
I miss you
