Out of the mist lips I have kissed  
Call tenderly  
Out of the west, hands I have pressed  
Beckon to me

Over the sea waiting for me  
Lonely and blue  
Somebody sighs, somebody cries  
I love you, I love you

Drifting in dreams, drifting it seems  
Back to the shore  
Where hand in hand over the sand  
We'll stroll once more

Heart of my heart, we'll never part  
I hear her say  
But with the dawn my dreams  
Have gone astray

I hear the voice of my land  
A-callin' me, it seems  
Those fair Hawaiian islands  
My isle of golden dreams

I hear the voice of my land  
A-callin' me, it seems  
Those fair Hawaiian islands  
My isle of golden dreams
