You love him I know but I won't let you go  
I just won't step out of the way  
'Cause you're married to me and I won't set you free  
Possession is nine-tenths of the law so they say

I'll keep you as long as I possibly can  
You were mine before he came our way  
I refuse to abide and I won't step aside  
Possession is nine-tenths of the law so they say

Forgive me for bein' so selfish  
But for me there is no other way  
I just want to hold on to what's rightfully mine  
Possession is nine-tenths of the law so they say

Forgive me for bein' so selfish  
But for me there is no other way  
I just want to hold on to what's rightfully mine  
Possession is nine-tenths of the law so they say
