You love him I know but I won't let you go I just won't  
step out of the way  
Cause you're married to me and I won't set you free  
Possession is nine tenths of the law so they say  
I'll keep you as long as I possibly can you were mine  
before he came our way  
I refuse you are mine and I won't step aside  
Possession is nine tenths of the law so they say  
Forgive me for being so selfish but for me there is no  
other way  
I just want to hold on to what's rightfully mine  
Possession is nine tenths of the law so they say  
[ steel ]  
Forgive me for being so selfish...
