Ribbon of darkness over me  
Since my true love walked out the door  
Tears I never had before  
Ribbon of darkness over me

Clouds are gathering over my head  
That kill the day and hide the sun  
That shroud the night when day is done  
Ribbon of darkness over me

Rain is falling on the meadow  
Where once my love and I did lie  
Now she is gone from the meadow  
My love goodbye

Ribbon of darkness over me  
Where once the world was young as spring  
Where flowers did bloom and birds would sing  
Ribbon of darkness over me

In this cold room lying  
Don't want to see no one but you  
Lord, I wish I could be dying  
To forget you

How I wish your old heart could see  
How mine just takes and breaks all day  
Come on back and take away  
Ribbon of darkness over me

Come on back and take away  
Ribbon of darkness over me
