Sittin' in a tree house
Me and my baby
Up where the whipporills nest all day
We cuddle all night

(in a tree house)
(in a tree house)

Kissin' lots of kisses
Me and my baby
Ask any whipporill and he'll say
We're doin' alright

(in a tree house)
(in a tree house)

When supper is through
I hurry on to
Our maple tree house rendezvous
Soon as I climb the ladder then I'm
Aglow and oh so darn excited

Sittin' in a tree house
Lovin' my baby
Someday we'll marry and settle down
My baby and me

(in a tree house)
(in a tree house)

When supper is through
I hurry on to
Our maple tree house rendezvous
Soon as I climb the ladder then I'm
Aglow and oh so darn excited

(aglow and oh so darn excited)

Sittin' in a tree house
Lovin' my baby
Someday we'll marry and settle down
My baby and me

(in a tree house)
How happy we'll be
(in a tree house)
On top of a tree
(in a tree house)
My baby and me
(in a tree house)
