Today was to be a day of fun and fiesta  
The wedding day of Juan and lovely Vanessa  
Inside the chapel only the padre remains  
Everyone waited, but Vanessa, she never came

Oh only sorrow  
At the mission in Guadalajara  
No fiesta, no laughing, no singing  
No wedding bells will be ringing  
Only sorrow in Guadalajara

And every year on that very same day in September  
He lights a candle and prays that she will remember  
Inside the chapel he begs the padre to stay  
He swears Vanessa will surely be here today

Oh only sorrow  
At the mission in Guadalajara  
No fiesta, no laughing, no singing  
No wedding bells will be ringing  
Only sorrow in Guadalajara
