It's not the pale moon that excites me,  
Thrills and delights me, oh no  
It's just the nearness of you  
It isn't your sweet conversation  
That brings this sensation, oh no  
It's just the nearness of you

When you're in my arms and I feel you so close to me  
All my wildest dreams come true  
I need no bright lights to enchant me  
If you'll only grant me the right  
To hold you ever so tight  
And to feel in the night  
The nearness of you

When you're in my arms and I feel you so close to me  
All my wildest dreams come true  
I need no bright lights to enchant me  
If you'll only grant me the right  
To hold you ever so tight  
And to feel in the night  
The nearness of you
