[This is for you] Ooh she may be weary
And them young girls they do get weary
Wearing that same old shaggy dress
But when they get weary
[You gotta] try a little tenderness

[Tell you, might not believe it, but]
You know she's waiting
Just anticipating
The thing that she'll never, never, possess, no, no
But while [all the time] she's without it
Go to her and try just a little bit of tenderness
[Thats all you gentlemen gotta do]

Oh, but its one thing
It might be a bit sentimental yeah, yeah
She has - her greaves and care
But the soft words [they] are spoken so gentle
Yeah
But, oh, that makes it, makes it easier to bear, yeah

You wont regret it
No no,
Them young girls they dont forget it
[Cause] Love is their whole, whole happiness Yes, yes,
yeah

And its all so easy
Come on and try
Try a little Tenderness
Yeah Try
Just keep on trying

You've got to love her
Squeeze her
Don't tease her Make love [Get to her]
Hold her tight
Just, just try a little tenderness
Thats all you gotta do
Youve gotta hold her tight

One more time

You've got to love her
hold her Don't tease her
Never leave her

Make love to her
Hold her, man

Try a little tenderness
[Just one time] God have mercy now

All you've gotta do
Love her
You've gotta hold her
Don't squeeze her
Never leave her Y
ou gotta now,now,now

Watch it , tell everybody
Try
Try a little tenderness

You gotta make love
Don't tease her
Never leave her
Rub her down
Smooth her, soothe her
Move her
Love her
Rub her
Gotta gotta, zak it to her
Try some tenderness

Oh yeah
Tenderness
Little tendernes
Gotta, lord you gotta hold her
Squeeze her Never leave her
