This is goodbye, my love  
Try not to cry, my love  
Kiss me and miss me, love  
Until we meet again

No lips will touch my own  
Each night I walk alone  
This kiss will be my last  
Until we meet again  
(Till we meet again)

From taps 'til reveille  
You will be the dream I'm dreamin'  
Till I return no arms will hold me  
Until then

This is goodbye, my love  
Try not to cry, my love  
Kiss me and miss me, love  
Until we meet again

From taps 'til reveille  
You will be the dream I'm dreamin'  
Till I return no arms will hold me  
Until then

This is goodbye, my love  
Try not to cry, my love  
Kiss me and miss me, love  
Until we meet again

(Goodbye my love)

This is goodbye
