Wait a little longer, please Jesus
There are so many wanderin' out in sin
Just a little longer, please Jesus
A few more days to get our loved ones in

Here the labor is so hard and the workers are so few
We find we're gettin' ready for a rest
And then we find that we're getting anxious just to be in
that heavenly home
Where we will find such peace and happiness

Wait a little longer, please Jesus
There are so many wanderin' out in sin
Just a little longer, please Jesus
A few more days to get our loved ones in

Familys scatter everywhere and, Lord, we love them
dear
And, maybe, we can help them find the way

But if waiting is the cost then they might not be lost
And that's the only reason why we say

Wait a little longer, please Jesus
There are so many wanderin' out in sin
Just a little longer, please Jesus
A few more days to get our loved ones in
