While you're dancin'  
I'll just sit here at this lonely table  
While you're laughin'  
I'll try to force a smile as long as I'm able  
While you're clingin' to them  
I'll keep clingin' to the past  
Gettin' sicker inside  
While the lonely minutes pass  
Oh, the nights never end too fast  
While you're dancin'

While you're dancin'  
For just a moment you're anybody's baby  
You're romancin'  
In your mind or behind my back, maybe  
In your heart you keep wishin'  
That I would go away  
So you could leave with someone else  
I wasn't born yesterday  
Oh, I don't know what to do or say  
While you're dancin'

It seems like such a sin you'd  
Make me feel this way  
But sometimes I wonder if you know  
What feelin' is  
I guess I'll always let you  
Make me feel this way  
And as long as you let me I'll stay

While you're dancin'  
I'll just keep on a-sittin' at this table  
While they're laughin' at me  
I'll try to take it just as long as I'm able  
While you're wanderin' cross the floor  
I'll keep wonderin' deep inside  
If I had walked out long ago  
How much less would I have cried  
Oh, how many times have I cried  
While you're dancin'  
Oh, how many times have I cried  
While you're dancin'
