Roses, pressed in a Bible  
Bring wonderful memories of you  
Roses, withered and faded  
The same as the love we once knew

Yesterday's roses covered with teardrops  
Yesterday's teardrops sparkle like dew  
I'll always treasure yesterday's roses  
Tellin' a story that never came true

Sometimes when I'm alone, dear  
My poor heart is breaking inside  
True love we might have known, dear  
But just like the roses, it died

Yesterday's roses covered with teardrops  
Yesterday's teardrops sparkle like dew  
I'll always treasure yesterday's roses  
Tellin' a story that never came true
