Born in the heat of the desert  
My mother died giving me life  
Despised and disliked from a father  
Blamed for the loss of his wife

You know, Lord, I've been in a prison  
For something that I've never done  
It's been one hill after another  
And I've climbed them, Lord, one by one

But this time you gave me a mountain  
A mountain I may never climb  
It isn't a hill any longer  
You gave me a mountain this time

A woman got tired of the heart[Incomprehensible]  
Tired of the grief and the strife  
Tired of working for nothing  
Tired of being my wife

She took my one ray of sunshine  
She took my pride and my joy  
She took my reason for living  
She took my small baby boy

And this time you gave me a mountain  
A mountain I may never climb  
It isn't a hill any longer  
You gave me a mountain this time
