Don't look now but your heart of blue is showin'  
And I know now that soon you will be knowin'  
What it means to step aside and swallow up your pride  
Your destiny is plain to see but don't look now

Don't blame your heartaches on somebody else  
The harm is done you've had your fun  
And now you're on the shelf  
You win the right to cry when you cheat and tell me lies  
Your heart of blue is showin' through but don't look now

Don't look now but I see your tears are fallin'  
And the blues at your door will soon be callin'  
There's nothin' you can do it's all come back to you  
I see disgrace upon your face but don't look now

Don't blame your heartaches on somebody else  
The harm is done you've had your fun  
And now you're on the shelf  
You win the right to cry when you cheat and alibi  
Your heart of blue is showin' through but don't look now
