So I feel so blue sometimes, I wanna die  
And so I've got a broken heart, so what?  
They say that time will heal all wounds in mice and men  
And I know that someday I'll forget and love again

But just between you and me  
I've got my doubts about it  
'Cause just between you and me  
You're too much to forget

So I've lost the only girl I've ever loved  
And so I've never felt so low, so what?  
I'll just tell myself each time I wanna cry  
That someday time will dry the teardrops from my eyes

But just between you and me  
I'm not so sure about it  
'Cause just between you and me  
You're too much to forget  
You're too much to forget
