Written by Elvis Presley and Otis Blackwell

You know I can be found, sitting home all alone

If you can't come around, at least please telephone

Don't be cruel, to a heart that's true

Baby if I made you mad, was it something that I might
have said

Please let's forget the past, 'cause the future looks
bright ahead

Don't be cruel, to a heart that's true

I don't want no other love, baby it's just you I'm thinking
of

Don't stop thinking of me, don't make me feel this way

Come on over here and love me, you know what I want
you to say

Don't be cruel, to a heart that's true

Why should be apart, I really love you baby cross my
heart

Let's walk up to the preacher and let us say "I do"

Then you'll know you have me and I know that I'll have
you

Don't be cruel, to a heart that's true

I don't want no other love, baby it's just you I'm thinking
of

Don't be cruel to a heart that's true

Don't be cruel to a heart that's true

Well, I don't want no other love, baby it's just you I'm
thinking of
