Scared, I've been scared out here on my own
Lost, I've been lost a million miles from home
Running, tired of running, that's all I seem to do
Nothin', I ain't nothing, baby without you

I'm draggin' around these chains of love
And I think I've had enough
Without you I ain't that tough
Draggin' around these chains of love

Tired, I'm tired, tired of missing you
Lonesome, lonesome, lonesome through and through
Hurt, yeah, it hurt when my heart broke in two
Hope, I keep hopin', that's all I know to do

I'm draggin' around these chains of love
And I think I've had enough
Without you I ain't that tough
Draggin' around these chains of love

Draggin' around these chains of love
And I think I've had enough
Without you I ain't that tough
Draggin' around these chains of love
Draggin' around these chains of love
