Written by Marty Stuart and Paul Kennerley

I'd go lookin' for you, if you wanted me to  
If you wanted me around  
And I'd go anywhere, as long as you were there  
If you wanted me around

If you needed me, well baby there I'd be  
You know just where I can be found  
I'd be there with you, if you asked me to  
If you wanted me around

If you needed me, well baby there I'd be  
You know just where I can be found  
I'd do all that I could, yeah, you know I would  
If you wanted me around  
If you wanted me around  
If you wanted me around
