Somebody loves you darlin'

Somebody loves you I know

Somebody loves you dearly

Why can't you let them go?

I see the postman comin'

He's comin' down the street

And I know he's got a letter

'Cause he's headin' straight for me

Somebody loves you darlin'

Somebody loves you I know

Somebody loves you dearly

Why can't you let them go?

There's going to be a wedding

It's gonna be in the fall

So boys and girls get ready

I'm gonna invite you all

Somebody loves you darlin'

Somebody loves you I know

Somebody loves you dearly

Why can't you let them go?

Why can't you let them go?
