Here comes the Gospel story of Noah's Ark

When God looked down on this whole world  
His heart was heavy and sad  
The world He'd made and the man He'd loved  
Had all turned wicked and bad

As He looked over His creation  
He was grieved by His own plan  
But just before He destroyed everything He loved  
He found Him a righteous man

Brother Noah found grace in the eyes of the Lord  
Noah was a righteous man  
He walked with his God a day by day  
Holding to His hand

He worked without ceasin', preached without preachin'  
That's a truth that shall ever stand  
Brother Noah found grace in the eyes of the Lord  
Noah was a righteous man

Well God said to Noah  
"Build a boat and we'll call it an ark  
Build it long, deep and wide  
I'm gonna tell you before it starts"

"I'm gonna send to you, a two by two  
Every good and living thing  
But gather up your family and shut the door  
'Cause Brother, it's gonna rain"

For forty days and forty nights  
The water came a pourin' down  
The tears from God Almighty's eyes  
Covered everythin' on the ground

Men were screamin', women were cryin'  
Noah heard it day and night  
But everything on the other side of that door  
Disappeared clean out of sight

Brother Noah found grace in the eyes of the Lord  
Noah was a righteous man  
He walked with his God a day by day  
Holding to His hand

He worked without ceasin', preached without preachin'  
That's a truth that shall ever stand  
Brother Noah found grace in the eyes of the Lord  
Noah was a righteous man

Alright

And then one day the rain stopped fallin'  
And the ark came to a rest  
High and dry was ole Brother Noah  
On the top of Mount Ararat

Well they opened up the window  
And sent the Lord a dove  
Well the dove brought back an olive branch  
And we all got a bowl of love

Brother Noah found grace in the eyes of the Lord  
Noah was a righteous man  
He walked with his God a day by day  
Holding to his hand

He worked without ceasin', preached without preachin'  
That's a truth that shall ever stand  
Brother Noah found grace in the eyes of the Lord  
Noah was a righteous man

Well, Noah was a righteous man  
Hey, Noah was a righteous man
