All the people down the street whoever you meet  
Say I'm a bad boy say I'm a bad boy  
Say I'm a bad boy  
Even dear old dad when he gets mad  
Says I'm a bad boy says I'm a bad boy  
Says I'm a bad boy  
Well you see now I've got a girl  
And we stay out late almost every night  
Well the people just stare and they declare  
Well well it just ain't right  
But if only they knew how I love you  
They'd say a bad boy could be a good boy  
Who's just in love

Well you see now I've got a girl  
And we stay out late, almost every night  
Well the people just stare and they declare  
Well well it just ain't right  
But if only they knew how I love you  
They'd say a bad boy could be a good boy  
Who's just in love  
So much in love  
So crazy in love  
So much in love
