Sleeping in, in case I miss you  
Dreaming takes me right there to you  
Quilt of silver golden thread  
Your face is shining in my head  
Waking up I see you slipping  
Don't disappear, quench your thirst here  
Ace of hearts, stolen diamond  
Skylark singing, churchbell chiming  
The sudden sight of you is pleasing  
It's only perfect things we're seeking  
My heart's awake, my fear is sleeping  
You I'm forever keeping  
Forever, Forever  
My mood is cracked, I start to tremble  
Splintered tears to re-assemble  
I'm not able to express it  
But I'm sure that I will get it  
Lazy is the sleepy summer  
I melt myself and drip upon her  
Now we're liquid mixed together  
Oh we can last forever  
Forever, forever  
I am focusing my actions  
Pressing on with this attraction  
If arrows fly then I will catch them  
Oh it's you forever
