Exquisite inspiration  
On a tray that's decorated  
With that smile

Your beautiful creation  
Set aloof in revelation  
His capricious trial  
Anything you like  
All that you desire  
I want to satisfy you  
Salome, Salome  
The head of John the Baptist  
Is upon Salome's wish list  
Lips sick, dry  
Nervously entrancing  
And she's sinfully enhancing  
Her delight inside  
Anything you like  
All that you desire  
I want to satisfy you  
Salome, Salome
