Rain Clouds in the sky, (I) Don't know why
They make me blue, when I'm thinking of you
Maybe they want to cry, As I walk on by
Hiding my tears, in a world of good byes
{Dhenta Dhenta Dhena na Dhena ///
Dhenta Dhena na.....na ne na }
Love during summer rain, Causes no pain
Cause I'm looking back, at you once again
Memories crowding my mind, You're one of a kind
Life with out love, I'm helpless I'm dying
{Dhenta Dhenta Dhena na Dhena ///
Dhenta Dhena na.....na ne na }
Rain drops and dance, strange kind of romance
I don't know why (whether) to cry out loud, But I'm
feeling fine
Watch the rhythm of the rain falling down
{Dhenta Dhenta Dhena na Dhena ///
falling down //.....}
